**III. PROJECT DESCRIPTION**

**Permanent Supportive Housing Program**

Coleman Professional Services, Inc. will provide 55 units of permanent supportive housing that include 61 beds for homeless individuals and families with a disability in Portage County. The units have a capacity of 55 households. The program will serve 65 households/persons. CPS Inc. will provide 10 units of permanent supportive housing that include 10 beds for males and females in Jefferson County. The units have a capacity of 10 households. The program will serve 20 households/persons. The agency will also provide 8 units of permanent supportive housing that include 8 beds for single males in Trumbull County. The units have a capacity of 8 households.. The program will serve 12 households/persons. The program projects that 90-100 percent of persons will exit to or retain permanent housing in Portage, Trumbull and Jefferson counties. Clients served are at or below 35% of AMI. All funds will be used for program operations, data evaluation and administration during the 2-year period.
